Bid Request

Attn: Estimator

Quotation due date: Wednesday, January 27th, 2010 at 10:00 am

Project and location: Conway Residence Chatfield, Minnesota

A.B. Systems job number: **2010-020A**

Description:

We are preparing a General Contractor quotation for the above referenced project and invite your subcontractor or material quotation per plans and specifications.

Include all sales taxes in your bid.

Indicate square footages or lineal footages of material, bid on this project. Be advised that there are options for equal materials other than the specified that may be utilized. Be specific in your product descriptions.

Some items are not specified at this time. Give me a call or email if you have questions on products to be priced. I will be e-mailing addendums as needed when we receive more information.

Insurance requirements:

Subcontractors performing labor will be required to have limits of liability, per A.B. Systems standard sub-contract agreement, including naming A.B. Systems as "additional insured".

Base bid = House with attached garage included. (Include concrete courtyard)

Alternate #1 = Add the barn, complete with garden fence.

Please send us a quotation on your scope of work pertaining to this project.
Acknowledge all addendums, plans, and specification divisions included.

Plans and Specifications may be obtained at:

- A.B. Systems office for review
- A.B. Systems website (see below for access)

Do you intend on providing us a bid on this project?

Yes

No

Website Access: (case sensitive)
