Description:

We are preparing a general contractor quotation for the above referenced project and invite your subcontractor or material quotation per plans and specifications provided

- Exclude sales taxes
- Include all associated costs for engineered plans and/or permitting (if applicable to your scope of work)
- This is a design/build project based off the specifications and drawings provided
- We are open to cost saving alternatives. If you have any alternative constructions methods, please price them as alternate *DEDUCT* to your base bid
- Davis-Bacon Act applies to this contract

Acknowledge all addendums, plans, and specification divisions included

Plans and specifications may be obtained at:

- A.B. Systems office
- Via e-mail

Do you intend on providing us a bid on this project? No Yes

Your company name here: _____

Sincerely,

A.B. Systems, Inc.
