

FCI WASECA  
MULTIPURPOSE BUILDING  
STATEMENT OF WORK

The *contractor* shall work between the hours of 7:30 AM to 3:00 PM, Monday through Friday, except on Federal holidays or institution emergency. In the event of an institution emergency, contractors shall exit the institution grounds immediately.

The *contractor* shall attend a pre-construction meeting with Owner no later than one week prior to construction.

The *contractor* shall comply with all entrance procedures. All individuals entering the secure perimeter of the institution shall be required to pass a security background investigation prior to entrance.

The *contractor* shall comply with tool control procedures as defined by institution policy.

The *contractor* shall comply with all OSHA and institution Safety regulations.

The *contractor* shall properly remove and dispose of all debris in accordance with all Federal, State and local regulations.

The contractor shall size all components, except doors and windows, of structure to ensure proper installation and compliance with all applicable codes.

The *contractor* shall conduct a project walk-through with Owner to identify areas of concern or damage during work. If Owner determines that damage is caused by acts or omissions of the contractor, a punch list will be developed. The contractor will be responsible for repair or replacement. A second walk-through will be conducted after completion of punch list items.

The *contractor* shall provide to the Owner complete electronic drawings, PDF or AutoCad format, upon completion of project.
